## Special for Month

This month we are offering you a super special deal on a package of our Encapsulation products  
If you make a 100lt buy of our Encapsulation range as well as your normal 100litre buy rate we will  
be offering you an extra 5% discount.

This range includes Zenith Encap Woolsafe® approved packed in 5lt 20lt and 200lt packs

Zenith Plus Encap with fluorochemical 5lt 20lt and 200lt packs

Zenith Encap Spotter 500ml packs for resale 5lt 20lt and 200lt packs

Release with Encap 5lt 20lt and 200lt packs

The Zenith and Release range ranges are used with a brushing machine such as a Cimex for  
Encapsulation or Bonnet Cleaning.

GUSTO® ENCAPSULATION PRE SPRAY available in 5lt 20lt or 200lt packs

For use with any type of Extraction machine manual automatic and truck mounts

At least this won't happen to carpet  
cleaners working in our current weather  
conditions. Have you thought of using a  
drying fan. Set this up in the area you are  
cleaning to cool you down?
