

# SK50

**New multi-purpose formula  
SUPER CARPET PRE-SPRAY and OIL and  
GREASE EMULSIFIER FOR ALL FLOORS**

- As a carpet pre-spray the original great performance on oily, greasy polypropylene has been retained, and the new formula can now be used on all fibres including wool and 5th generation stain block nylon.
- Ideal for use on problem areas such as restaurants or motor vehicle showrooms on oily, greasy kitchen floors or oily greasy carpets.
- SK50 is a mild alkaline cleanser which gives great results with the new rotary tile cleaning accessory.
- Low foam, non corrosive and compatible with all types of carpet extraction equipment including truck-mounts, portables and upholstery machines.
- Odourless and non toxic. Does not contain solvents, non aggressive to skin and clothing. Biodegradable — environmentally responsible formulation. High concentrate - economical to use
- Meets with the requirements of the relevant Australian and New Zealand Standards AS/NZ 3733-1995 and AS/NZS 4849.1-2003.
- Has Woolsafe Certification for use on wool and wool rich carpets.
